

## FORENSICS AND VALUATION SERVICES

# FORENSIC AND INVESTIGATIVE SERVICES

**Sikich has extensive resources in dispute advisory, damages calculations, fraud investigations, eDiscovery, computer forensics, data analytics, valuation, and insurance claims.**

Sikich will provide sophisticated, resourceful and objective expertise to your business with our forensic accountants, certified fraud examiners, former city government inspector general, computer forensic specialists, data analytics experts, and credentialed valuation experts.

**The Forensic and Investigation team provides a set of investigative and cyber skills to assist companies, government and educational institutions that conduct business in an increasingly complex technical world.**

We will investigate and gather evidence in a manner that upholds the integrity of chain of custody requirements scrutinized by legal and regulatory bodies. Our team's skills and industry knowledge protects the client and quantify the impact of any wrong-doing suffered. The investigative and cyber skill sets, obtained over decades of experience, across our highly experienced team of computer forensic and expert investigators with backgrounds in cyber and public accounting include:

- Forensic Accounting Investigations
  - Financial Fraud Investigations
  - Vendor Fraud Investigations
- Internal Investigations
- Title 9 Investigations
- Employee Misconduct
- Theft of Intellectual Property
- Interviewing Witnesses & Subjects
- Evidence collection
- Due Diligence
- Cyber Crime Investigations
- Social Media Investigations
- Incident Response & Remediation
- Ransomware Response & Consultation
- Advanced Rapid Malware Analysis
- Computer and Mobile Device Forensics
- Data Preservation & Collection
- Penetration and Vulnerability Testing
- Security Assessment & Table Top Training
- Merger & Acquisitions Privacy Control

**Sikich has a state of the art computer forensics lab and for 16 years has been delivering incident response and forensic services that are guaranteed by field-tested service level agreements.**
